COURSE CALENDAR 2015

Below you will find the course list for 2015, with as much detail as we can currently give you to help you plan your training year.

Weapons Project: Following the successful Fan form project in 2014, we will start to learn another weapon form in the same way - 2 hours on Friday and Saturday afternoons during the Easter Course, 2 hours on Monday and Tuesday afternoons during the UK Summer Course and the entire Weapons Weekend. The next weapon will be either the Broadsword or the T'ai Chi Sword. Both forms are over 150 moves long and so the project will run for 2 years. *If you are going to participate in this project please contact Anne and specify whether you would prefer to do Sword or Broadsword.*

Tui Na: Some of those who have completed the Preliminary Tui Na courses are going on to 2 intermediate courses, the first is taught both in Beckenham and as a residential course in Bloxham. The second is being taught only as a residential course following on from Harlaxton. Students may choose to do only part of this course. These courses are normally only open to those who have completed the basic training in Tui Na.

Fan Follow-Up: For those who did all, part or none of the Fan project this year! A day course in April to start from scratch or fill in gaps and jog the memory. Keep your knowledge fresh and improve!

Chi Shu – Shuai Jiao: Again following the success of the 2014 pilot, we are offering a package of 2 weekends. It is not necessary to have completed the 2014 training to book. The total cost is £140 per person but the package will only run if a minimum of 18 people book. There is a maximum of 24 places. Contact Anne asap with £70 to reserve your place. The deposit will not be refunded unless the TAO cancels the course.

PRICES: Unfortunately the expenses incurred in putting on courses are continuing to increase so we have had to increase training fees slightly. Weekend courses will be £40 for 1 day, £65 for 2. Easter will remain at £110. Summer will be £140. We have increased the concession to £10 to try to help soften the blow
